

Capability Statement

www.tylustrainingservices.com

Tylus Training Services provides custom-tailored training sessions and classes to help your organization maintain a secure and safe environment. With more than 20 years of security leadership and management experience within the natural gas, guard services, and security training companies' industry, we strive to provide the best training classes available to our customers. As Owner of Tylus Training Services, Mary is an independent, passionate, highly talented and motivated security professional. She earned both her Masters in Criminal Justice and Criminology and a BS in Applied Psychology from Loyola University of Chicago. Additionally, she completed the Management Certificate Program within Loyola's School of Business Administration, Executive Education Program.
